

October 9, 2017

Dear THS Parents:

Trenton High School has a partnership with North Central Missouri College that allows students to earn both high school and college credit while receiving instruction from a high school instructor in a high school setting. There are certain classes that require specific ACT scores and GPA requirements. Students will enroll in these courses at the beginning of each semester.

Beginning in the fall of 2017 the dual credit tuition rate has been increased to **\$100 per credit hour**. Trenton High School has changed the procedure regarding payment of the courses taken by THS students. Beginning with the 2017-2018 school year students will be required to **pay in full** when registering for classes. Spring registration will begin on January 8, 2018 with payment in full by January 12, 2018.
