

Trenton R-9 Preschool

A free Preschool Program is available to children who are Age 3 or 4 by August 1, 2016 and reside in the Trenton R-IX School District. There is a morning session and an afternoon session. Both sessions meet Monday through Friday. One Friday per month is set aside for parent/child activities. Regular classes are not held on this day, and an adult family member must attend with the child. Younger siblings of preschoolers are also invited to attend this parent/child activity day. We understand that due to work schedules, not everyone can attend on these days, so attendance is optional.

Children are placed in the program using multiple-criteria data gathered at the time of screening. In addition to the in-school program and parent/child activity days, there are also home or school visits, group meetings, and a lending library for children in the program.

The Early Childhood facility is housed on the Rissler Elementary campus.

_____ Yes, I would be interested in my child attending the Trenton R-9 Preschool

_____ No, I am not interested in my child attending the Trenton R-9 Preschool

If yes: (check two)

_____ I prefer my child be placed in the morning session (8:00 – 10:45)

_____ I prefer my child be placed in the afternoon session (11:30 – 2:15)

_____ I have no preference, either session would be fine.

_____ I understand that my preferred session may fill. If this happens, my child may be placed in the opposite session based on most-need-first basis using screening results.

_____ If my preferred session fills, then I will make other arrangements for my child to attend preschool elsewhere.

Are you planning to share transportation with another child's family? _____

If so, who? _____ (No promises can be made, but we will attempt to put your child in a session with the child you are sharing rides with.)

_____ Yes, I am interested in transportation for my child. If yes, please list a pick up and drop off address.

_____ No, I am not interested in transportation for my child.
